

Assembly & Installation Instructions

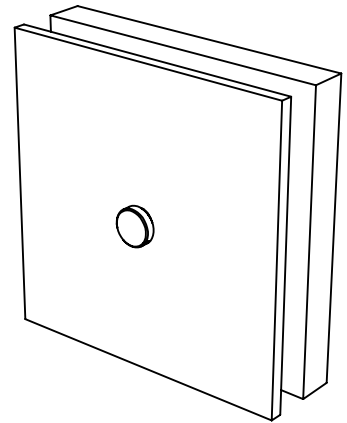

ATTACHMENT PANEL HOLE GUIDE

SIGN PANEL HOLE GUIDE

Wall Fixed Panel Support

Wall Fixed Panel Support (3.26)

1. Using the hole guides, drill the appropriate holes into the attachment panel and sign panels.
2. Attach the back section of the panel support to the attachment panel using a sheet metal screw.
3. Position the sign panel over the back section of the panel support, and screw the front section into place.
