*Notes on Paintable Laminate
 • B&N provides the panel in Paintable Laminate, customer to paint.
 • Use ONLY LATEX PAINT, not oil-based paints or solvent-based thinners, as these may damage the surface.

Important Notice About Stock and Special Order Materials. B&N strives to keep all of our stock materials on hand to fulfill your orders. If an order is large, we may be required to order more material to produce those items, and we will do our utmost to expedite obtaining that particular material needed. For Special Order Materials, please contact your sales representative, as lead times may vary.
